The nominating committee of the Board of Directors of Conservation Employees' Credit Union would like you to consider being a candidate for a position on the Board of Directors. Attached you will find, for your review, an overview of the responsibilities of that position. Please contact one of the nominating committee members listed below if you are willing to be a candidate for the Board of Directors.

All interested candidates should recognize that Conservation Employees' Credit Union's elected volunteers are subject to specific policy guidelines relating to loan underwriting and account ownership. These guidelines should be considered as more restrictive than those relating to overall membership.

A short biography (of approximately 100 words or less) will need to be submitted to the credit union once you have agreed to become a candidate. This biography will be used on the ballot submitted to all members.

The credit union appreciates the time you have taken to consider becoming a candidate for a volunteer leadership roll in the credit union.
